

Barbados Playgroup

A Company Limited by Guarantee

Pinewood Village Hall, 6 Rydal Close, Bordon, Hampshire, GU35 0LS

ACTION PLAN FOR IMPROVEMENTS MADE AFTER OFSTED INSPECTION ON 2/3/07

To improve the quality and standards of nursery education further the registered person should take account of the following recommendation(s):

“enable children to further develop their independence skills and practical mathematical development with regard to snack time routines”

Our snack time will be changed to a ‘snack bar’ instead of the whole group sitting down to a communal snack time. The children will choose their own snacks from a small range of healthy options, a menu will be drawn up at the start of each half term. Wherever possible the practitioner will ensure the children’s development of mathematical learning by encouraging the children to cut up their own fruit, so the children see the maths visually and hear the mathematical language being used. The children will be able to see the choice of healthy food laid out on the table and will be able to choose for themselves what they want to eat.

The practitioner overseeing the snack bar will have a list of children who CANNOT have certain food. (As dictated by the child’s parent).

The children will have a choice of four drinks to choose from Fresh Milk, Orange Squash, Blackcurrant Squash, Water, when they have made their choice, they will pour out their drinks independently, with the practitioner available to help those children still needing support.
(The milk is full fat – orange/blackcurrant is colour/additive/sugar free).

The practitioner overseeing the snack bar will have a list of children who CANNOT have certain drink. (As dictated by the child’s parent).

EFFECTIVE IMMEDIATELY.
